

Water based Cleaner to remove traces of epoxy grout from ceramic and glass mosaic surface, to facilitate the removal of spray residues after the final wash with water and to remove any light surface haze

## PRODUCT BENEFITS

- Removes residues, stains & marks of Epoxy Grout
- No toxic fumes
- Water base formulation
- Does not damage substrate
- Excellent cleaning properties

## USAGE

Recommended Surfaces

- Wall and floor tiles,
- Glass Mosaics

## PACKAGING SIZE

1 L

## TECHNICAL DATA

• Form	Liquid
• Colors	Transparent Yellow
• Specific Gravity	1.044
• pH	10.6
• Freezing point	0 ° C
• Flash Point	NA
• Shelf Life	2 years approx.

# INSTRUCTIONS

## SURFACE PREPARATION

- Surface temperature should be between 10° C to 45° C.
- Ensure area is well ventilated and surface is dry.
- Mask any surface not intended to be treated.

## APPLICATION METHOD

- Apply XC3 on the surface to be cleaned or on the traces of grout and leave standing for a few minutes
- Then rub the surface with a scrubber provided along with product kit and rinse thoroughly with water
- The product is particularly efficient on fresh grout
- If cleaning is carried out a few hours after applying the grout, it may be necessary to leave it standing for longer (at least 15-20 minutes), or repeat then cycle
- Remove the water with vacuum cleaner so as to dry out the surface.
- If stain is not removed completely, repeat the process second time.
- Clean tools with water immediately after application and allow them dry in a well ventilated area.
- Do not use on polished marble or stone
- Do not use on wood
- Do not use on methacrylate pools
- Before using XC3 on materials with an unknown surface resistance, test the product beforehand to make sure it does not damage the surface
- Not suitable for removing heavy deposits of epoxy grout and for use with fully cured material. Use RachTR XC4

## STORAGE AND HANDLING

May be harmful if swallowed. May cause skin, eye and respiratory irritation. Do not inhale.  
Avoid prolong exposure to product. Use in a well ventilated area. Do not ingest.  
**KEEP OUT OF THE REACH OF THE CHILDREN.**  
Do not freeze or store above 40° C. Do not mix with other chemicals

## EMERGENCY/FIRST AID

- Ingestion: Do not induce vomiting. Call a physician
- Eye Contact: Flush thoroughly with water for at least 15 minutes. Remove contact lenses, if applicable, and continue flushing. Call a physician if eye irritation persists.
- Skin Contact: Wash skin with mild soap and water. Call a physician if skin irritation persists. Wash clothes before wearing again.
- Inhalation: Remove to fresh air. Call a physician if respiratory irritation persists.
