

General purpose hard surface cleaner and sanitizer, ideal for the quick and effective cleaning of shiny floor surfaces like polished marble, granite, etc

PRODUCT BENEFITS

- Leaves surfaces hygienically clean
- Regular use hinders lime scale buildup
- Leaves surface stains & streak free
- Pleasant fragrance

USAGE

Materials

- Polished marbles
- Granite
- Glass
- Metals

PACKAGING SIZE

5L & 10L

COVERAGE

Approximately 150-200 sqft per litre, undiluted

TECHNICAL DATA

• Form	Liquid
• Colors	Dark Green
• Specific Gravity	1.003
• pH	10.24
• Freezing point	0 °C
• Dilution Ratio with Water	1:10 depending upon substrate condition
• Flash Point	NA
• Shelf Life	3 years approx.

INSTRUCTIONS

SURFACE PREPARATION

- Surface temperature should be between 10° C to 35° C.
- Ensure area is well ventilated and surface is dry.
- Mask any surface not intended to be treated.

APPLICATION METHOD

- According to the degree of dirt and substrate condition, liberally apply XC1 undiluted or with cold water in a ratio 1:10 an even coat using a sponge pad, wet mop or cloth. **DO NOT USE SPRAYER**
- 5-10 minutes after entire application, wipe the entire area with scrubber while rinsing with clean water.
- In case of stubborn stain, use brush or scrubber.
- Remove the water with vacuum cleaner so as to dry out the surface.
- Clean tools with water immediately after application and allow them dry in a well ventilated area.
- Special Instruction - Prepare a sample area to examine material consumption and cleaning efficiency.

STORAGE AND HANDLING

May be harmful if swallowed. May cause skin, eye and respiratory irritation. Do not inhale.

Avoid prolong exposure to product. Use in a well ventilated area. Do not ingest.

KEEP OUT OF THE REACH OF THE CHILDREN.

Do not freeze or store above 40° C. Do not mix with other chemicals

EMERGENCY/FIRST AID

- Ingestion: Do not induce vomiting. Call a physician
- Eye Contact: Flush thoroughly with water for at least 15 minutes. Remove contact lenses, if applicable, and continue flushing. Call a physician if eye irritation persists.
- Skin Contact: Wash skin with mild soap and water. Call a physician if skin irritation persists. Wash clothes before wearing again.
- Inhalation: Remove to fresh air. Call a physician if respiratory irritation persists.
